Positive Parenting Top Tip!

Special Time – Let's Play

Parents need to juggle a lot of different roles in the family, and we can sometimes overlook playing with our children. Children need our attention, and they will gain that any way they can. Giving more positive attention to your child in positive situations, will reduce the need for them to gain attention through negative situations.

We challenge you to spend a minimum of 10 minutes a day of quality, child led play time with your child. This will help your child's self-esteem, mental and emotional health, social skills, communication skills, relationships, and behaviour issues.

So put down your phones, leave the dishes until later and go and get involved in your child's play, they will love you for it.

Service Spotlight

Parent Carers Cornwall is run by parents and carers and our aim is to support and offer guidance to families who have a child with SEND 0-25 years of age.

Our aim is to gather information from Parent Carers and using these unique shared experiences, we take part in consultations and participation work which helps us to shape the development and delivery of services to our children. We also pass on information to families via a newsletter and e-bulletin, arrange coffee and chat sessions and organise training and workshops for parents.

Support is offered to families to help complete DLA/PIP forms if required.

We are on all social media channels as Parent Carers Cornwall or for any information please contact us through our website
